

Sheets integration

EUROPEAN FULLFILLMENT CENTER

Welcome to our integration guide for sellers! To effortlessly sync your data with our platform via Google Sheets, you'll need to follow two crucial steps. Depending on your platform's setup, choose between integrating with Google Sheets directly or opting for an alternative method if Google Sheets isn't available. Our guide will walk you through these steps, ensuring a smooth integration process and enhancing your selling experience.

In the first scenario, if the platform you're using to build your store **doesn't support Google Sheets**, follow these steps to generate leads on our platform.

Access your dashboard, navigate to 'Integration', and select 'Sheets' , then click on 'Add New Sheet'.

Now, navigate to “general access” , and select ‘Anyone with the link’

Then change the Role to 'Editor' , and click on 'Save'.

The screenshot shows a Google Sheets document titled "googlesheet (1)". The spreadsheet contains the following data:

Order ID	Order date	SKU	Full name	Phone	Address	Postal code	City	Province	Product name	quantity	Total charge	Product URL	Email	Payment Gateway
AM_8120	2022-12-23 03:52:27	S2-9700	youssef	0759159285	N/A	2000	madrid			1	44000			cod
AM_8121	2022-12-23 03:59:57	S2-9700	anas	0777826492	N/A	4324324	Marcory zone 4			1	22000			prepaid

The "Share" dialog box is open, showing the sharing settings for "googlesheet (1)". The "General access" section is expanded, showing "Anyone with the link" can edit. The role is set to "Editor". A red circle highlights the "Editor" role in the dropdown menu, with a red arrow pointing to it.

Now, head over to our platform to complete the integration process.

Next , click on 'Add New Sheets' .

The screenshot displays the European Fulfillment Center dashboard. On the left sidebar, the 'Integration' menu is expanded, and the 'Sheets' option is highlighted with a red circle and a red arrow labeled '1'. The main content area shows the 'Dashboard / Sheets' breadcrumb. In the top right corner, there is a red button labeled 'Add New Sheet' circled in black, with a black arrow labeled '2' pointing to it. Below this button is a table with the following columns: NO, LAST INDEX, SHEETS NAME, SHEETS ID, STATUS, CREATED AT, and ACTION.

NO	LAST INDEX	SHEETS NAME	SHEETS ID	STATUS	CREATED AT	ACTION
----	------------	-------------	-----------	--------	------------	--------

Then, proceed to fill out the form.

A screenshot of the European Fulfillment Center dashboard. The dashboard has a sidebar on the left with navigation links: Dashboard, Leads, Orders, Stores, Integration (with a dropdown arrow and a red circle containing the number 3), Sheets, Shopify, Woocommerce, Fees, Sourcing, Analytics, Invoice, and Complaints. The main content area is titled "Dashboard / Sheets" and features a "Watch Video" button. A modal window titled "Add New Sheet" is open in the center, containing two input fields: "Sheet Name" and "Sheet ID", a red "download" button, and "Save" and "Cancel" buttons at the bottom right. In the background, a table is partially visible with columns for "NO", "LAST INDEX", "STATUS", "CREATED AT", and "ACTION". A red "Add New Sheet" button is also visible in the top right of the main content area.

In the following step, I'll show you where to find the information required to complete the form
