WooCommerce
integration

EUROPEAN FULLFILLMENT CENTER

Welcome to our integration guide for WooCommerce sellers! To seamlessly connect your store with our platform, you'll need to complete two key steps. First, integrate your WooCommerce store with our platform to establish a secure connection for data exchange. Then, connect your products using SKU keys to ensure accurate synchronization between both platforms. Follow our simple instructions to navigate through these steps and optimize your selling experience

Access your WooCommerce dashboard, navigate to 'WooCommerce,' and select 'Settings'.
